Item 1, which is in accordance with Government Proceedings No. 5876-85—L. F. 112-95, dated 23rd November 1896, sanctioning Rs. 60 for dieting in-patients in each dispensary is passed; but item 3, which, under those proceedings, is included in *Item* 1, will be disallowed. As regards *Item* 2, the estimate is retained, subject to a report being submitted as to details and as to when the dispensary is likely to be opened.

The provision on account of the District Fund quota of the maintenance charges of the Branch Dispensary at Arlepete will be reduced from Rs. 500 to Rs. 411, which is the correct amount and which will be transferred to this head from "IX. Contributions."

7. *IV. Midwives.*—The net increase of Rs. 60 under this head is due to the provision made for a moiety of the pay of an additional midwife on Rs. 20 per mensem and to the reduction of the pay of the relieving midwife from Rs. 20 to Rs. 15. The necessity for an additional midwife has not been explained. Pending information, the provision will stand.

8. *V. Sweepers for III Class Travellers' Bangalos and Musafirkhanas.*—Under this head, the usual provision on account of the bangalo at Channapatna, which has been raised to the II Class, has been omitted. The provision of Rs. 60 newly made for a care-taker for the musafirkhana at Nelamangala, in accordance with the District Fund Board's Proceedings of the 3rd February 1897, is approved, pending the submission of a separate reference in regard to his employment.

9. *VI. Conservancy and Sanitary Charges.*—The provision of Rs. 1,740, hitherto made under this head on account of sanitary charges in the several taluks, has been transferred to the head "B. Public Works to be executed by Revenue Department," on the ground that the works for which the provision is intended are properly chargeable to that head. The sum of Rs. 490, retained under this head, is for the salaries of sweepers employed for the conservancy of villages, cost of water-sheds, &c.

10. *VIII. Refunds.*—The provision newly made under this head is said to be on account of refunds of the sale proceeds of stray cattle. This item will be struck out as unnecessary, as the sale proceeds should be kept in deposit for three months from the date of sale and afterwards disposed of in the manner provided for in Section 18 of the Cattle Trespass Regulations.

11. *IX. Contributions.*—For reasons given in para 7 *supra*, the provision under this head will be reduced by Rs. 500.

12. The other items call for no remarks and are passed.

13. The budget estimates of the Bangalore Local Fund circle for 1897-98 will be sanctioned as shown in the accompanying appendices, of which an abstract is given hereunder:—
